“ I was blessed to occupy the desk next to Ezra for several years when we worked at AT&T Engineering office in Atlanta. It was a great group of people to be with along with our Supervisor, Felix Ward. That was a good experience. I had a great respect for Ezra and I considered him my friend. Jackie and family, I pray that God's promises will bring you hope, and His presence bring you comfort and peace.

I have such fond memories of our working days at 1200 Peachtree and remember well when he and I would get out for a walk just for exercise and a breath of fresh air!
