So very beautiful and well put together. For everyone who knew Aunt Fairy knows that this described her perfect. She always had God first and cherished everyday she got to spend with her loving husband uncle Joe, daughter Angie and especially there grand babies and great grand babies. They say God don't make mistakes but I hope he knows that Fairy was an angel to so many here on earth and will be forever missed and loved here on earth and there are some of us here that still need her. So Aunt Fairy know that those you left on earth behind you will always be a legacy to us. We will always love you and most definitely miss that smile and ray of sunshine you always carried with you.
