“ Fatboy was a genuine good soul. He was so easy to be around and I loved him. He was the kind of man that would give the shirt off his back to help anyone, but for someone he loved he would do any and every thing he could to, help, give advice, (good advice), fix what's broken or be there for you. He was certainly a hero to me more than once, & I'll always be grateful that I had the opportunity to know him and his beautiful family. And thankful to have had such a loyal friend and beautiful soul in my life.
