“ *Mrs Tomei I will miss you so much. Although I haven't seen you in years you have always been in my heart. I have so many great memories being at your house when I dated Scott and Terri and I spent so much time together. You fed me so well. We laughed and travelled and had some very special times together. You will be sorely missed. What a special person you were. RIP*

“ *I have fond memories of our summer visits with Aunt Fay on my parents front porch. She had an infectious laugh that everyone loved. I especially remember her hospitality, hosting me and my friends as we traveled north from Florida for a great evening visit. Rest In Peace as you will always be in our hearts!*
