“ *My Aunt Faye may she rest in peace for the angles have rejoiced and she has a new body that will never more hurt nor ache. For to be absent from the body is to be present with the lord and from what I've come to know is that without a shadow of a doubt she was ready to go on. I wish I could go back in time and get to spend more time with a sweet and wonderful, kind hearted soul which one day I'll have my chance to sit down and talk with her, along with my birth mother, grandma and all the loved ones past. May God be with the family and loved ones.*
