“ Beth and Ronnie,

Your Mom was very special to Dewey and I, and for many years we enjoyed their friendship. Dean and Dewey both were Gen Mtrs and Faye and I Kodak. We had a lot in common. Faye and I walked over a muddy ground with planks placed to keep our shoes from getting covered with mud the first day we met at Kodak , for our first interview. We came back at the same time for our 2nd interview, and by the time we both met at Dr. Schreeder's office for our physicals , we were already good friends, and it lasted for 32 years at work, and 22 years since then. . We both started work in 1954 and we both retired in 1986. During that time Faye was the confidant for every person who worked at Kodak. You never had to worry about telling her something you did not want repeated, she was one of a kind, and loved by all who knew her. She helped so many people who never even realized what she had done for them. She truly was one of a kind, and we will truly miss her. Just know that she loved you and your families, because she told me so often when we would talk on the phone. Love, Carmel###imported-begin##Carmel M. Boswell###imported-end##
