“ Dear friend Hubert,
Having known you from our early days in jr. high, I have the highest regard for you & your family. Know that your mom's kindness to me & mine will always be very special and we send this heart-felt message to you; we so wish we could be there with you to honor your mother, but cannot at this time. So this is to say we loved her like our own, and share with you her loss. May you be comforted in your long memories of her many years of life and all that you & your family have done to make her comfortable and able to live at home all these years. God bless, and hold you now in these hard times.
With much love, Tim & Louis##imported-begin##Tim Nance##imported-end##
