“ I am so sorry to hear about the loss of Fleet. He was truly a talented, kind, good, and wonderful man. I graduated with his sister, Wren, from Dacula High School. She was a wonderful, beautiful friend and I knew Fleet through her and through my sister, Shirley Ashworth (who has passed) and my brother -in-law, Gerald Ashworth. They were friends with Fleet for over 70 years and they loved him with all their hearts. He will be missed so much by so many people. He played the steel guitar better than anyone I have ever known and I enjoyed listening to him and the Skillet Lickers so very much. He truly touched a lot of people's hearts. God has gained a precious angel. Rest in peace, Fleet and I know Shirley will be waiting to see you.

“ To Fleet's loving and caring family. May God be with you in this sad occasion.

Fleet was my life long, loyal and loving friend. I will miss very much the times that we talked about our experiences together in school, at work, and in retirement.

God willing we will meet again!
