“ Flossie, I know you've been longing for the day you would finally be reunited with your beloved Robert. Growing up and spending the night at your house while our family spent our summer vacations in Wiinder, created such lasting, fond memories of my childhood! There were quite a few relatives with the name Robert in our Georgia family - middle name, first name, Jr., Sr., etc. that once as a small child, when asked which Robert I was going to visit, I said, "I'm going to stay with ... "Plain Robert", and thus, Flossie's Plain Robert it was from then on. Flossie, we admire you for your kindness, for your many years of devotion to my Aunt Ann's business and your friendship to the entire Arnold family. You will be greatly missed but we know how happy you are now surrounded by so many of your dear loved ones. God Bless you now and always. Much love from Becky in Missouri.###imported-begin###Becky (Burnett) Linhardt###imported-end###

“ I remember Flossie from when I was just a liitle boy, running around, getting into everything, and in the way, at my Aunt Ann's flower shop, in Winder, where Flossie worked for as long as I can remember. She was very dedicated to her job as a florist and worked many long hours, preparing flowers and arrangements for orders that needed to be completed on time. She was a very kind, sweet loving person who was always willing to go out of her way to make somone happy. She will be sadly missed and there will always be a place in my heart for Flossie !###imported-begin###Bill Burnett (St. Joseph, Missouri)###imported-end###
