“ To The Dale Family: I had the honer of hiring, and for many years, the privilege of managing the finest Electrical Engineer that ever graduated from FAU. He became one of the best design engineers in IBM Boca Raton's history. Rest in Peace Forest, you will be forever a tribute to your family, religion, friends, and fellow engineers. ----- Justin (Jud) McCarthy

Thank you, Jud! I brag on my Dad every chance I get, and it is nice to know that his expertise and abilities were known and recognized by those in a position to know, his beloved fellow IBMers.

Just found out that my fellow classmate and friend Forrest Dale passed away on five days ago in Snellville, Ga. I communicated several times with Forrest over the past few years and he was on the top of my list as a clear thinker, loved America and defended the constitution. As we are all headed for the Gates of Heaven (or perhaps elsewhere), I hope to see Forrest again and hope he puts in a good word for all of us from the St. Ann class of 1961. Rest in peace Forrest
