“ *Forty-nine years ago Forrest became my brother-in-law so I've known him since I was at least 19. Jerry L. Bowen and I loved him very much. Like most everyone who met him we learned he was always there for you. Whether he was repairing an appliance or suggesting and guiding you in the purchase of a new one. He and Louise were a constant in everyone's lives. Over the years you find certain couples that you say as one. Forrest and Louise always came out of your mouth as one. Many of us are fortunate to even live 66 years much less to live as a married couple 66 years. Their union was blessed by God. How they weathered the loss of all three of their children I will never know. However, they took that love and bestowed it in their grandchildren and they did a wonderful job of loving and nourishing them into the fine adults they are today. We loved you Forrest and will miss your smile. I know God is proud of you for the example you sat of what a man should be.*

“ *He was one of the most honest people I have ever met. He was sometimes brutally honest, but it was always out of love for his family. He raised us. He worked so hard to make sure we didn't need or want for anything. He did way more for us than any grandparent has ever done for their grandchild. He was a father to us as well as a grandfather. He was at every birthday, every ball game, every band performance. I will miss him a lot. I love you Papa. - Carrie*

“ *This was truly one of the greatest men I ever knew! He took me and my sister in and raised us as his own and treated us like his own! He loved me when I was unlovable and he never stopped believing in me. Ever! I love you papa and will be missing you until we see each other again!*

What a wonderful, kind neighbor! My husband Mike used to drive his power chair up the hill to visit with Forrest! They had a great time of fellowship together. Mike went to be with the Lord over 4 yrs ago...I know they are sharing the Joy of heaven now!
