“ *Forrest will forever be in my heart. He had suffered so much over the past few years with his physical well being. I know that he isn't in pain any more. May God take good care of him now. I know he has a special place for Forrest. I will treasure all the memories that we have shared down the road of life and only which there could have been more. God bless all those who love him and know that he is in a better place.##imported-begin##Pamela Marie Fisher##imported-end##*

“ Even though I am only an acquaintance of Forrest, he was the type of person that left a lasting impression on you. His free spirit, sense of humor, self confidence and strong soul were evident the first time you met him.

He was no fake. He was the real deal.

Forrest will always be around us in the hearts and spirits of those who have known him .##imported-begin##Judy
