“ *In losing Frances, your family lost a truly beautiful & special woman. I don't know what my family would have done without her during so many of our hard times. She spent tireless energy, unconditional love, and unwavering faith taking care of Mom with her long & gruesome fight with cancer. After chemo & amputation, Francis was always my Mom's champion. She became her friend, then caregiver, and towards the end like a Mother.*

*She has stayed close to our family not only as a housekeeper for my Dad but a friend to all of us. Both Peyton & Savannah are deeply upset by this loss, however we know Francis is now with her husband, daughter, my Mother, but above all, with the Lord. I would like to be greedy and claim Frances as part of the Williams family and let you know that we grieve with you and send you our prayers.*
