“ *My Moma, Glenda, and aunt Faye with my Papa Larry and Granny Frances. I remember going to see Granny Frances with Moma a lot as a small girl and seeing her at the reunions. I even spoke to her a few times over the years when I moved to Georgia in 2014. I came across this picture the other day as I was going through my late mother's photos and it made me wish I could talk them again but I know they are in a better place.*
