“ *Grandma,*

*I love you and I will miss you. I loved the way you laughed when you got tickled at something crazy one of us did. I remember your beautiful smile. You were always so passionate about what you believed in and could always be counted on to make your opinion known and heard. It makes me feel better knowing you are with God now and without pain or inconvenience. I just know you are smiling and laughing once again. Don't worry about Mom, we will be here for her and will be sure to hug her every once in a while just for you.##imported-begin##Dena Voyles##imported-end##*
