“ *Dear Greg, Gary, and Gordon,  
I don't know if you remember the Dalton Tibbs or not, but we want you to know that your family has been special to us for many years. Judy Jolly and I have visited your mom on several occasions in the last few years and were so glad she kept her special sense of humor and her sweet smile and her faith in God even though she faced many trials and pain. She was an inspiration.  
Gene and I send our sympathy. May you feel our Lord's presence as you begin to deal with the loss of your mom.

“ *Just wanted the family to know that I'm thinking about you and praying for you all! I know this amazing women will be missed! Her daughter-n-law Judy has graciously shared many a story of how she has been on her death bed one day and the next, on the phone ordering take out from the local (non take out) restaurant. And them actually delivering it to the hospice facility! That's got to be a first! She was truely and amazing woman!###imported-begin##Joanna Cobb###imported-end##*
