“ *One Chinese saying goes this way: Once a teacher, forever a teacher. The teaching I received from Frank - physically and spiritually will remain forever in my heart. As Al Goldberg said, our best homage to his legacy is to continue to do our best to improve safety and health in any way we can. My deepest condolences go to the family.##imported-begin##Goh Chye Guan##imported-end##*

“ *My heartfelt condolences go to the Bird family.*

*Frank was truly a GREAT MAN, and I will always remember my time with him personally in 1992 when I was first starting out in this field of safety / loss control. The entire world is a better place as a result of Frank's work and dedication to the field. Rest in Peace and Happiness.##imported-begin##Eric Kaljo Roos##imported-end##*
