“ My deepest condolences and sympathy to Mrs Carpenter and Penny as well as the rest of the family. It was a long time ago when I was a youngster when the Carpenter's lived on the same street where I would grow up; Birchwood drive north in Liverpool NY. They moved to Georgia in 1979 when Mr Carpenter got a better job. He was a telephone 📞 technician for New York telephone. I remember when they came back to visit once and stopped by my house. I remember Mr and Mrs Carpenter sitting in the living room having drinks with my parents and me and Penny playing in the basement. I left Liverpool NY in mid July 1998 and moved to Spring Hill Florida and have been there for 25 years. Once again my deepest sympathy and condolences to you.
