“ *A great friend, colleague, and golf buddy has passed and I will deeply miss him. One funny story about Frank that I witnessed was when he was at the end of his teaching career, he was trying to demonstrate the Fosbury Flop to his gym class. Frank had to be in his late 50's and he was actually demonstrating how to jump over the high jump bar head first and with your back towards the ground. His face was red and sweaty. I said, "Frank...you're too old to be doing this," then he laughed with that infectious belly laugh.*

We played many rounds of golf together at Mohawk Trails and drank many bottles of beer afterwards. He was always the life of the party. He lived a great life and raised a bunch of great kids. Love you buddy.....Dave Brenner

“ One of my favorite teachers at Boardman Glenwood Middle. Of course, gym class was my favorite class and only the ever "A" I received (lol). I think Mr. Curran saw something in my athletic ability at a young age and that gave me a lot of confidence. Always enjoyed seeing him at St. Paul's church in New Middletown and often thought about what happened to him after not seeing him for a while. To Mr. Curran's family, I'm sorry for your loss.

“ *Very sad to hear the news. He always felt more like an awesome uncle to me than Ed's dad. I will never forget his great sense of humor and unmistakable laugh. He really cared and was a sense of encouragement to young people. I very much looked up to him - and still do.*
