*I will miss Frank. I worked night shift in the ER at the old Walton Regional Hospital and I knew Frank liked coffee so I tried to make fresh coffee for him when he would come into the ER. He always had a smile and something funny to tell. It 's hard to believe he's gone. He will surely be missed by so many.*

*Frank was one of a kind. I worked with Frank in the Fire Department where the Walton County Ambulance Service was stationed. Saw him almost every day. Had many good talks with him sharing stories about the "Queens". Even though I've been in the family 58 years married to his cousin, I learned a lot just listening to some of his stories. I found Frank to be the most honest, kind & straight forward person I have ever known. If you wanted to hear the "real" of anything, just ask Frank; no white washing there. Always straight up kinda guy. I will miss seeing him around town. God bless his family! I'm sure he was their rock. He loved his family and especially his grandchildren as is evident in his photo album. Jaron, Cami and Kari, please keep him real to them as much as possible. Thanks for allowing me to share.*
