*Frank hired me in 1985 as a salesman with Alexander-Seewald Co. It was my first outside sales opportunity in the automotive field and I always gave Frank credit for getting me started in the business. He taught me a lot. Frank was very knowledgeable and well liked in the field. I am shocked to learn of his passing. I will always remember him as a true friend as well as a great boss and co-worker. My prayers are with his family at this time.
