“ *I'm so sorry to hear of the loss of your father. He was a great man! He signed with me on my first ever car loan 27 years ago when no one else believed in me. I am still grateful to this day. Anita and Wanda my heart breaks for y'all. May God bless you and look over you and your families during this difficult time.*

“ *I will miss him, he was such a fun guy while up here at the lake, he loved to fish and was always wanting me to take him out in my boat fishing, but this never happened. He's in heaven with Nita's mom and they are having a good Christmas. My deepest sympathy to the family.*
