“ *Kay, I know Dee is with mom, Tucky Lee, in heaven having a great time. I imagine they are so happy and waiting on us to join them once we are done here.*

I miss mom so much that my heart aches.

Mom loved you both so very much and I know she is sending you a huge hug and love from heaven. Posted two pics that I thought you might enjoy. xoxox

“ *Kay,
So sorry for you loss. My thoughts and prayers are with you and the family. Give my regards to Nathlee and Madeline. I think of our times at Reed so often...some good, some could have been better.*

Times were tough then. But, I would not trade the love and memories of our families!

Take care and keep in touch. Martha Hudson Scharer
