“ Dear Dad and Papa,

I will miss you more than words could say. You were a true PATRIARCH to our family. Your dream and every thought was our safety and happiness. To have 9 granddaughters and a great grandson adore you like they did is something many people never know. You were a man that stood alone, so simple yet so strong, I don't believe I will ever know anyone quite like you. I am proud that the Lord decided that you would be our father. Death seems no longer scary knowing that you await anxiously for your family to come home and be with you among Our Savior the Lord Jesus.

I love you Dad!!!!!!!
