“ Sympathies to the family during this difficult time of loss. I did not know Fred personally, only through his brother Bryan. Prayers and love especially to Bryan during this loss.

“ I met Fred very briefly a few times. He was always polite, considerate and caring. May angels surround him and those who love him.

“ I only met Fred a couple of times but knew he had to be a special man because Susan chose him to be in her life.

“ I knew Fred through my sister, Melody, at Covington Ford. He was a wonderful, cheerful person who loved life and people in all aspects. Our family bought two cars from Fred, and he immediately made you feel like a part of his family. He will be sorely missed. I pray for peace for his family.

*My husband and I bought a Ford from Fred back in 2012. I just logged onto Covington Ford's website specifically looking for Mr Dixon to see if he could hook us up with another vehicle. Fred was a delightful person and By Far the best and kindest car salesman I've ever encountered. To all Fred's loved ones: you have my deepest sympathy and prayers for the ongoing needs of your hearts. God bless you all!*
