“ *Uncle Fred and Aunt Marge came to visit a couple of times when I was young. I remember going out to the Executive Airport (known back then as Howard Hughes airport), and Uncle Fred showed us his little Cessna. He was proud of it, and we were amazed that he flew so far in such a little craft.*

Every year at Christmas, we looked forward to opening Uncle Fred's gift. We couldn't wait to see what HESS truck he would send.

Several years ago, Uncle Fred drove across the country to see us. He brought heirlooms from my Grandmother and Grandfather. He was a wonderful, enigmatic man. He never ceased to amaze me with his adventuresome spirit.
