I had the privilege to meet Al in the early 90's when I was member of the East Metro Drug Enforcement Team. Whenever we were conducting operations Walton County, he was always there for us when we were in need. His laughter in C.I.D. could be heard throughout the building, he was a big presence. Sincerest condolences and prayers for the family. RIP Good and faithful servant.

“ *Deepest condolences to Kitty and all the Yarborough family! Here we have seen another of our loved ones gone home much too soon! Just always remember this: he has, but dropped his robe of clay to put his shining raiment on! He has not wandered far away, he is not lost nor gone! For ever near us, though unseen , the dear, enduring spirits tread, for all the boundless universe is life , THERE ARE NO DEAD! Keep well, keep strong , and remember this is not the end of anything.....we will see Al again!*

“ Al was a childhood friend from first grade through high school and we shared many happy times together as neighbors on Walton Circle. There are so many great stories from those years which brings me much comfort. He was a dedicated and determined law enforcement officer in Monroe who served his city well during his active years. Even though our paths had not crossed in recent years we always knew where each other was and would visit on the phone always remembering the fun times of years gone by. My sympathy goes to the son, his family and the grandchildren.
