“ *Freda was always a happy person when I was around her always with a smile. My best memory was in 1985. Freda told me that Bill Stegall needed someone to work at the Tire Mart in Picayune. I was hired and I am so thankful to God for moving even in the small things in our life. What a blessing that was in my life even to this day. Thank you Freda.* 🙏🌸

“ When our son Clint married Kimberly we got one of the sweetest, caring, loving and giving daughters...and then you meet Freda and you understand why Kimberly is as awesome as she is...her mom was same way. We were so blessed to get them both as family because Freda was our family...we enjoyed sharing good times and you know with Freda around there was a lot of laughter and love. Sure am going to miss our sister and friend...miss you already but will see you again. Love you!
