“ Bettie,

*Bonny and I were so glad that we were able to come up to Atlanta and be there for the funeral. Being there, meeting your family and the friends that Barney had made through the years, including his work associates, golf friends and neighbors was truly a pleasure and meant the world to me personally. He was my favorite Uncle and always made me laugh with his keen wit and great personality. I realized more than ever during the time I was there, that I have more than just a piece of Barney in me and for that I am blessed and forever grateful.*

*Love,*
