“ You passed away on my 70th birthday after 50 years of continued friendship. I miss you every day, my friend, and the chats we had about everything under the sun. I will never have another friend in this lifetime like you. I miss your humor and the way you could make everyone around you smile, especially me. Most of all, I miss your goodness and your wisdom. You were a gift to my life.

*Such a kind and funny man! He used to come into our family diner and  
make us all feel like we were part of his family. Always had a smile on  
his face and a funny joke to tell! We will truly miss him. May he rest in  
peace. I'm better for knowing this person.*

“ *Freddie will be missed by so many people. His stories and jokes  
were the best, and he always kept me laughing. It has been an  
honor and a privilege to have known Freddie these past 19  
years...there are none like him!! I was blessed to have been able to  
sit at the same table with Freddie at Nema's last Christmas party,  
and as always he had the whole table entertained. God Speed  
Freddie, Love and Miss You. Melinda*

“*Kate and I are both devastated by this sudden loss. I talked with Freddie last week as he relived some of his old US Air Force experiences and he was so happy and energetic. And he signed off by telling me to "give Momma a kiss on the top of her head for him"! We send his family our sympathy and condolences and prayers...*
