“ Carolyn and family - such sadness about your father's death. He was a wonderful man and will always be remembered for his singing and contagious smile. "May a choir of angels come to greet his, may they speed his to paradise, may the Lord enfold him in his arms, may he find eternal life." Love to each and God Bless.....

“ Fred and his darling wife, Eva, played a very important role in our lives. When my mother, Louise Bottorf, moved in with us, they became great friends and we have so many memories of them entertaining us at our home and the residents of Atria, where my Mom lived for awhile. My parents were also barbershoppers so they had a lot in common. They never forgot our birthdays or anniversaries with flowers, cards and songs. We were in the Welcoming Committee with them and have very wonderful and special memories. Thank you dearest Fred for being a part of our lives. We will miss you terribly, Fred, and you will always have a very special place in our hearts. We will always cherish our friendship and memories. We know that you are in heaven now singing along with my Mom and Dad. With deepest sympathy to Eva and your precious family - Barb and Dave###imported-begin##Dave and Barb Hajdukiewicz###imported-end##

“ Dear Eva and Family,

We are so deeply sorry to read in the Providence Journal about the passing of Fred. As you know, I worked with him for several years at Premier Thread and he was a great man. I just loved him. I was wondering if there was something wrong at Christmas when I did not receive his Christmas letter. We are so sorry and want you to know that our thought and prayers are with you and the family during this sad time.
