“ Blake and Gage played baseball and went to school together since middle school. We had many fun times at the baseball field over the years with Gage, Cindy and Rusty. And you can't forget all of the many younger siblings who had to suffer through the practices and games also! Dana and Baylee were pros! My mother recalled that Gage came down to their farm in Monticello with Blake once and they had a big time fishing and exploring the farm with my father. She remembered Gage as a very polite young man. Our entire family is so very saddened at this terrible loss. It was too soon for him to be called home, but that plan isn't ours. Trust that God holds him close now. We send our prayers of peace to his family and loved ones during this unimaginable time of grief.
