“ *We were saddened to learn of Gail's passing. You and she have been in our prayers for a long time. The closeness among your family certainly indicates her strong love for you all and the love and respect you had for her. Although we were only with her at Amy and Neal's wedding, we were impressed by her positive and upbeat spirit. What a wonderful heritage and example she leaves for you. Please know that we are keeping you close in our prayers.

“ I am so sorry for your loss. I will always remember our days at the 'Johnson/Dodd' compound up in Clarkesville and the shared dinners. She was so strong and independent and I always admired that about her. I know she loved her children and grandchildren more than anything in this world, and she was so proud of all of you. I am praying that God will give you comfort and peace during this time of loss. God bless you all.##imported-begin##Sue Finnegan##imported-end##
