“ *8 years of knowing Gail and I can say she was the most nurturing caregiver. She loved big! She worked hard! She was a light in the darkness. I know there are many rewards waiting for her in heaven. Blessed to have known her.*

*Gail was a hard worker and a wonderful person. One of my fondest memories of her is when I would offered to help her at work she would respond by saying with the kindest smiles , "I got this sugar." She certainly be will be missed. My prayers is that God will comfort the family at this difficult time.*
