“ *My sympathies go out to the family of my cousin, Gail. I do have fond memories of Gail. When I was in kindergarten another child threw up on me and I had to take my dress off so it could be rinsed. Gail attended the same elementary school; she was in seventh or eighth grade. She came to my classroom and wrapped her coat around me and took me home. I remember the coat was long and dragged on the ground. I was so grateful to her.*

Some years later Gail was my sponsor for Confirmation. At that time Confirmation was given to fourth graders, so I was younger than what is done today. I was nervous and Gail knew it. She said don't worry, I'll be right behind you with my hand on your shoulder. Once again she was there for me.

Although our paths have not crossed for many years, I have warm thoughts of Gail. I know her family will miss her. We all know where she is now! God bless.

“ Linda and family, sending you my thoughts and prayers. I will always remember your mom as a very kind and welcoming soul.. She did demonstrate great patience too,,especially when being our Girl Scout leader (although we all were angels). Deepest sympathy.

“ I am so very sorry to hear about Mrs Place. I met her twice at their annual food party. She didn't know me but still welcomed me into her home - very sweet lady. Praying for peace and comfort to your family.

“ I could not have asked for a greater mother in law...(a second mother)...or a more wonderful lady to be "Grammy" to my kids. She loved us all. She was a great cook and will go down in history...at least in this family, for her Blue Cheese Dip!
I love this picture of her having fun with some of her children and grandchildren...The memories that she made with us are precious, and make me smile! Her family was everything!

“ In addition to being Linda's mother and Marcia's mother-in-law, Gail was my Girl Scout Leader. How she put up with all our chatter and silliness I'll never know. I have such fond memories of our adventures such as camping in the rain and eating doughboys. I'm so blessed that Gail Place gave us her time and energy to have such fun.

My thoughts are with her family and friends. 🙏

“ Gail was a wonderful person who loved her family a lot. I know they will miss her but we know she’s in a good place. She introduced me to potato candy also, I thought she was crazy but she knew what she was talking about. She will be missed!

“ Gail was a wonderful person and co-worker. She always had a smile on and a story to share. She introduced me to potato candy which I was kind of scared to try but ended up loving it. I’ll miss you Gail.
