“ Dear Carol and family,
I am so saddened that our friend is gone. Unfortunately, Steve and I know how horrible and sad this disease can be. We have such fond and wonderful memories of times shared at Lake Burton, especially learning to water ski and sipping bourbon and coke. We will continue to retell the stories and relive the adventures with Garvin for a long time to come. Even though our hearts are sad, there will always be a special place for him there. Our thoughts and prayers are with you always.

“ I am so sorry for your loss. No matter how long you live, it is never long enough. Why? If Adam and Eve would have remained obedient they along with their offspring would have lived forever. Will God's original purpose ever be fulfilled? Jesus warmly tells us in John 5:28,29, "Do not marvel at this, the hour is coming in which all those in the memorial tombs will hear his voice and come on out. Yes millions now dead will live again here on earth and have the prospects of remaing forever under peaceful paradasaic conditions.
