“ *My thoughts and prayers are with you during this difficult time with the loss of your father. I hope you will feel God's grace with comfort and loving kindness to heal your pain and sorrow in your grief. Marley and I very much miss seeing Gary and Patch on our daily walks. Marley and Patch are very good buddies and they enjoyed running around chasing each other and smelling everything. May God bless your family and Patch also with His peace and joy as you reflect on all your loving memories being thankful for the time you had together.*

“ *I have lived across from Gary for a few months but he was always friendly. The first neighbor who welcomed me. We had good talks and would always speak to me on his walks with Patch.*

He will be missed and my thoughts and prayers are with the family.

“ *I lived next to Gary; we shared stories about our dogs mostly. Gary could be the twin brother of my brother-in-law Gary!...same hair, height, mannerisms and way of talking.*

We got along well.

I'm sorry he left us too early in his life, and pray he is in a better place.

My sincere sympathies,

Franco
