“ Gary and I went to school grades one through twelve together, we rode the same school bus and attended the same church. During all these years I cannot think of one bad thing to say about Gary. He was always a thoughtful, kind and a very humble person. He had a good sense of humor and loved to aggravate you but it was all in fun. He had a smile that brightened a room and his Ho-Ho-Ho made him the perfect Santa. He will be missed but what a legacy he left behind.
