“ My Condolences to Donna, Wonda and Kim on the passing of their Brother Neil. I meet Neal many years ago when I was dating his sister, He was always very nice to me. I found Neil to be a kind person who was always willing to help you anyway that he could be of help. Later in life He would become one of my favorite customers when we both were in the HVAC Industry he being a Service Tech and I in the Wholesale Distribution. We would take some time out of our busy day and just talk about those times when we all had first meet and what was happening in our life's then. Rest In Peace old Friend you were loved by many and will truly be missed! Donna, Wonda and Kim may God be with you three to help get you thru this lost!!

“ So sorry to hear about this. The short time I knew and hung around with Neal in the mid 70s, lived in his home with him and his sisters, we were fast close friends and he became like another little brother to me. In hindsight, I regret that we didn't stay in touch after I left the Lilburn area. Not that I was anything or anybody special, we had many great times and he often looked to me for advice and encouragement. I was honored that he did so. We were all so young and full of ourselves and then.....LIFE happens. I pray I will see you again brother and we can really catchup! Love to Donna, Wonda and Kimberly, Kevin Baker
