“ *Coach Shaw was my elementary physical education coach at Canton Elementary in Canton GA back in the 70's and 80's. He had a profound impact on me. I respected him and wanted his respect as well. I wish I had made the opportunity to look him up and tell him just how much he meant to me. I ended up teaching physical education for eight years and that's when I developed an even greater respect for Coach Shaw. He treated every one of us as if we were a very important person. Rest In Peace Coach. You were a beloved Man!*
