Gayle has been my friend since we were kids and she and her sisters grew up with me and my sisters and brothers. She was one of the sweetest persons I have ever known. She would always go out of her way to help you if you needed anything. I loved her and I feel so sad for her precious daughter Megan. She is so much like her Mom. She is so sweet. I pray that God will bless this family with peace. I'm here for you if you need ANYTHING, please just let me know.
Sincerest Condolences,

“ To my Beautiful wife Gayle;
I will always remember those beautiful green eyes and smile from the very first time we met. I told you that I was going to marry you and I did 3 months later. These have been the best years of my life and we have a daughter just like both of us. I will always remember the big giving heart you have. You are our Angel that looks after us from Heaven, just as you did on Earth. I know that I can go on because I know that I will see you again in Heaven one day. I will always Love you with all of my heart. Now it's time for you to rest those beautiful green eyes until we meet again in Heaven.
Love always,
Larry
