“ I will miss Buck each times that we played a round of golf with Barry, Mike, and other s in our group. I remember having some problems with my old truck or car when we moves to Lithonia area as I pulled into a garage where I met Buck for the first time. .He was a great mechanic .I was the coach of a softball young women's team at Redan and Shannon was on my team and went to Lithonia High with our kids. Buck didn't miss a game .I have known Buck for many years and that is the name we all called him by .Not a one of us knew his full until now. Back in the 70's, I would see Buck at the DeKalb County court house and thought he maybe having some problems but he was visiting Judge Oscar Mitchell whom owned Mitchell tire company.with his. two sons .I'm not a very religion person but I ask God to welcome Buck so he can see his family once again.
