“ *Papaw Gene was a great man. There wasn't a time that I saw him without a smile on his face. The spark that him and my Memaw shared was like two teenagers falling in love all over again. A love so grand that nothing could compare. He is no longer suffering and is at peace with our Lord. His memories shall live on in our hearts forever. May he rest in Heavenly Peace. I love you forever & a day Memaw. "You are my heart." Wishing you comfort during this tough time.*
