“ Daddy, I miss not having you here to talk baseball with. I miss not having you here to talk to at the kitchen counter. I looked forward to elbowing up to you after work at the house and hanging out. You were more than a "father in law" to me...you were my buddy and you were a DADDY to me.

You are so loved by all of us and you always will be. My girls had a teddy bear for a Grampa to sit with and hug...and I'm so grateful they got in all the hugs they could.

I love you.##imported-begin##Vanessa Dallura-Prater##imported-end##

I know there is never a good way to prepare yourself for losing someone, but losing you suddenly is a shock I feel deep within. I love you so much. Until we meet again in Heaven...##imported-begin##Christina "Chrissy" Darnos-Curry##imported-end##
