“ Wes & Gail, How I loved my dear Auntie! She is going to be greatly missed and I'm truly going to miss my phone conversations with her. She always had a positive attitude and outlook on life. She so enjoyed being closer to you & Gail when she moved to Ga and told me she never felt so loved from both of you. I have so many fond memories of your family and what a blessing that we were related!###imported-begin##Gloria Bailey Reichling##imported-end##

“ How blessed we were to have such a wonderful aunt and SO many great memories. She was always there for my sisters and myself, even though her "plate" was always full with the needs of her own family.
I wanted (not needed) a short skating skirt when I was in girl scouts trying to get a badge. My mother asked Aunt Jean if she could make one for me. We had no money at that time to buy anything. I thought to myself, that I would never get the skirt, knowing how busy Aunt Jean was with her own little kids. How wrong I was! She dropped all she was doing and made a skirt for me right away that was drop dead gorgeous....black courdoroy lined with a soft red fabric. I couldn't have "dreamed" anything better.
I could go on and on with little stories like this one. She was such an exceptional lady and what a role model!###imported-begin##Marcia Hayslip##imported-end##
