“ *Ginny and Bud came to us in our greatest time of need. We moved to Lilburn in August 1991 due to a job transfer and didn't know anyone. Three weeks after moving here, we delivered a still birth daughter, Melissa Ann. Ginny and Bud arrived with a plate of food and joined us for our daughter's memorial service. Ginny and Bud opened up their hearts and home to us. We found out during the service that they also had a daughter, Melissa, who died tragically much too young in an automobile/bike accident. They were kind enough to invite us to share many family times with them during subsequent holidays. They are truly a blessing and we will miss Ginny very much. Our love goes out to Bud, Bob and Tina, Nikki and Jessica, and Ginny's family. You will continue to be in our thoughts and prayers.*

*To Bud and son and daughter in law and family: Our thoughts are with you at this hard time in your life. We loved Ginny and she will always have a part of my heart. I'm sorry for all she had to endure in her courageous fight to live. We have a lot of good memories of all the good times with you and Ginny. When our friends hurt we hurt. Bud You are always welcome to come and stay with us in Florida when you feel the need to, as you have a long haul to go yet and many things to get squared away, besides you will be grieving also. We wish we could be there, but don't think that shall be possible. Love you Always
