“ I have only known Geoff for the last few years serving on the HOA board together. He was a truly kind and genuine person who went out of his way to do what he could for others, always with a smile on his face. He will be sorely missed by all.

“ Geoff was a delightful person to talk with. He contributed his time and many talents to the Sweet Briar Plantation community. He served for many years as treasurer of our SBP HOA, diligently paying the bills and keeping the historical records of our subdivision. No task was too big or too small to accomplish. Replacing a light fixture, or a sprinkler head, planting the spring and fall flowerbeds at the entrance to the subdivision, Geoff and his lovely family left their mark of kindness and neighborly spirit. He will be dearly missed by the Sweet Briar Plantation community. We are so very grateful to the Gilley family for making our subdivision a better place for all.

“ My sincere condolences to your family during this difficult time. I had the opportunity to work with Geoff indirectly and directly for a few years at the Bank. In working with Geoff, I appreciated his focus on his team and his willingness to always try to help. He always made himself to help and made sure that his people enjoyed a balance of work and family time. I will surely miss Geoff.

“ So many memories of Geoff and his Beautiful Family; I was Blessed to be his hairstylist for “16” years; funny: he had a bad habit of blindly shaving the back of his neck into his hair line right before a haircut, me ”dude you need to stop doing that “ Geoff “ I think you keep messing up ha” from then I would just say “dang, I messed up again, sorry” lol. Finally Mary stepped in to give neck trim 😊 then she took over thru Covid shutdown, she did good! Geoff reached out during to make sure my daughter n I were ok, when he came back he paid me for all the haircuts he missed 😭 Geoff was a kind, caring, faithful, righteous definition of a Man ❤️ he became my Friend and Brother in Gods name; may Geoff Sore the Heavens in Spirit as he did on Earth in Soul in Gods name I pray 🙏🦋

“ For me ...it will always be the Dad jokes. I can still hear him telling me one or sharing a text of one from our yearly Christmas gift to him of the "Dad Jokes Calendar". The other is shelling with John, Mary, and I on Sanibel Island. He was so kind collecting shells for us. - Not necessarily his thing but for the week you would of thought it was! He will be sorely missed. RIP my friend.
