“ George, I promised you that I would stay with you till the end and do all that was humanly possible to get Chris home to see you one last time. You know my intent was to protect your boys and my family from all the bad things that were going on around them. I keep that promise. I will now make you another promise that Shane and I will do whatever is necessary to keep those boys protected for the rest of our life. You rest in peace knowing that all is well at home. Love always!!
