“ *About 7 years ago I started buying parts form PAI .. big order 120K, too big that George came here to Columbus Ohio just to meet me. He gave me the red carpet treatment from the get go. Over the years our relationship grew .. every time he was around here he took me out for dinner, coffee. He advised me at that time .!!! Doug do things right no matters what !!! He always was available for me at the personal level, at the business level. As a young entrepreneur I looked at him as a father figure.. always listening and always available. To the Glumac Family please accept my most sincere condolences. To Dee and to the PAI family also accept my condolences ..
What a loss !
George I will miss you too ..

“ I met George (and Cinde) way back in the "hippie" days. I remember thinking what a handsome couple they are.
Over time and through our family connection I grew to regard and cherish George's wisdom. I know I am not the only one that sought council for legal,financial,technical, mechanical and "fix-it" matters. He just knew everything, it seemed.
I enjoyed his humor, company and hospitality.
It's hard to say goodbye to one of the good guys.
My heartfelt sympathy to Cinde,Ellie,Nate and Katie

“ Cinde, Nate and Ellie,

It is indeed with a heavy heart that I remember George and all he meant to me, his family, and as the patriarch of the clan, the extended Glumac family. His love of life and positive attitude graced all who knew and loved him. He was a fabulous big brother who has been a lifelong friend. Although I will greatly miss sharing experiences with him in the future I have been blessed to have so many wonderful memories being part of his life.

Love and peace of heart to all,

Tom

“ *In 1984 we moved into a new house on Skyland Glen Dr. What difference does the street you live on have on your life? All the difference in the world. The Glumas were already there, the Portwoods, Beatys, Mayhews , Browns, Dunns, Hess', Manns, Nolands around the corner, and Crawfords. We all had young children. Our husbands had new careers We went to school together, played tennis, and swam the summers away at our neighborhood pool .We lived and laughed and cried and lived on the same street.
Thank you George for being our friend on Skyland Glen Dr.

“ *I never met George, but, Cinde, you were a wonderful, fun, beautiful, supportive friend from West Virginia Wesleyan College days.
Cinde spoke about her boyfriend, George frequently. It was so obvious how much she adored him and, knowing Cinde, I was sure he was a super guy. Sympathy to his family.
I hope Kelly and I will see you, Cinde, in the near future. Please know you are in our thoughts. May you be comforted by the love and concern of those who know you and love you. Linda Marquess Danges*

“ I love the way George loved his family. He was a wonderful husband and father, cousin and friend. We enjoyed visits with each other through the years...having children who are close to Ellie and Nate's ages. George always enjoyed watching his family enjoy being together. It was obvious that he knew how important relationships are, especially family. Although there were times we didn't see each other for years, you always knew that George valued the time he spent with you. He would go out of his way for a rare visit and we were always encouraged about how important the family relationship was to him. George will be missed! Family reunions and special family events always brought out the best in him. Milton remembers the many visits to Pennsylvania during their childhood years and how George ALWAYS went out of his way to include him in any plans for the weekend. He was always caring and hospitable even as a youth. I remember Milton and George camping and kayaking with the boys...always enjoying the time together and showing their sons how important family is. George truly taught by example. Our world needs more men like George. We pray for comfort for all of our family as we are all aware of this great loss. God Bless You Cinde, Ellie, Nate and Katie. We love you!
