“ My deepest sympathy to all of George's family. I worked with him at Federated Insurance from 1979 until his retirement. He was always fun to work with, was good at his job, and just an all around good man. He will be missed.

“ Dear family of George,

I was privileged to work with George for most of my 30 year career with George and I always valued his guidance and advice. He always was extremely professional and I enjoyed the times he would come to Virginia, to visit our commercial clients.

I know he will be missed, but as a Christian, we are assured of the promise that we will see our loved ones again.

My sincere hope for God's presence as you mourn the passing of a real gentleman.

Sincerely,

Mike Okuley, Sr. MR, Retired##imported-begin##Mike Okuley##imported-end##

“ So sorry to learn of George's passing - he was part of my early years at Federated (I started there in 1984) - he was part of the era that had a great work ethic and was very much missed after he retired - I can still remember when he came back from his bypass surgery simply BURSTING with energy!!! Back in the days of Dictaphones, I can still remember hearing George dictating a letter in a rat-tat-tat staccato style: “and-so-on-and-so-forth – COMMA! - and-so-forth-and-so-on, PERIOD!” My condolences to his family and former co-workers.##imported-begin##Philip Swan##imported-end##
